1

Writing Wizard

L'Escapadou

Writing Wizard is designed to help every child learn how to trace letters, numbers, and words through a fun system carefully designed to maintain motivation.

Features:

- Show and enforce how to trace letters correctly
- 9 fonts available
- 50+ animated stickers, sound effects and interactive games that animate letters at the end of tracing
- Uppercase & lowercase letters, numbers and words
- Ability to create your own word lists (and record audio for each word)
- Fully customizable to suit every child's needs
- Check progress thanks to reports that display what the child has traced
- Shapes tracing activity for toddlers
- Create PDF Worksheets and print them to help your child to write on paper

2

Toontastic 3D

Google LLC

3... 2... 1... ACTION! With Toontastic 3D you can draw, animate, and narrate your own cartoons. Just move your characters around on screen, tell your story, and Toontastic records your voice and animations and stores it on your device as a 3D video. Toontastic is a powerful and playful way to create interstellar adventures, breaking news reports, video game designs, family photo albums, and anything else you might imagine!

Features:

- A giant toy box full of swashbuckling pirates, transforming robots, nefarious villains, and many more characters and settings to spark kids' imaginations
- Design your own characters with 3D drawing tools
- Add yourself to your adventures with photos, and customize the colour of your characters
- Mix your soundtrack with dozens of built-in songs
- Choose from three Story Arcs for digital storytelling (Short Story, Classic, & Science Report)
- Export videos to your Photos library to share with family and friends
- An idea lab chock full of kid-created stories, characters, and settings to inspire new adventures

3

SentenceBuilder™ for iPad

Mobile Education Store LLC

SentenceBuilder™ is designed to help elementary aged children learn how to build grammatically correct sentences. Explicit attention is paid to the connector words that make up over 80% of the English language. Sentence Builder offers a rich and fun environment for improving the grammar of all children.

Features:

- Simple and intuitive interface to build sentences
- 100 distinct pictures to build sentences around
- 3 Levels of play
- 60 encouragement animations and audio clips
- Optional correct sentence audio re-enforcement or encouragement animation
- Statistics to track progress
- Two teenager modules available with 50 images each

4

Writing Prompts

21x20 Media, Inc

This writing prompt app generates prompts from current events and uses scene elements, words, sketches, colours, genres and writing types. It unleashes endless random bits of fantasy to fuel your muse. Plus, they've included a database of 600 creative writing prompts so you've got them right at your fingertips, online or off!

Features:

- 400 scene elements, 450 words, 60 sketches, 10 colours, 80+ genres and more
- Can generate millions of unique prompts

5

StoryBuilder for iPad

Mobile Education Store LLC

This award-winning story builder app is designed to help children accomplish the following educational goals: 1) Improve paragraph formation; 2) Improve integration of ideas; and 3) Improve higher level abstractions by inference. Extensive use of audio clips promotes improved auditory processing for special needs children with autism spectrum disorders or sensory processing disorders. Story Builder offers a rich and fun environment for improving the ability to create a narrative.

Features:

- Record feature allows students to record narrative in their own voice
- 3 levels of play
- Stories can be archived for later play, or emailed
- 50 distinct story lines to create narrative from
- Import photos from camera or library
- 500 audio clips of questions to guide narrative

6

Kid in Story Book Creator

Enuma, Inc.

Kids can create and share customised picture storybooks with photos of themselves or others as the main character! Created by award-winning app designers, Kid in Story Book supports learning, social modeling, and early literacy for all children.

Features:

- 20 modifiable story templates, covering a variety of practical and fanciful topics

7

Scribble Press Creative Book Maker for Kids

Enuma, Inc.

Designed for the classroom and at home, Scribble Press is a creativity platform for children to imagine, write, illustrate, and share their own stories.

Features:

- 30 fill-in-the-blank story starters
- 300 drawing tools, tickers and backgrounds
- Record your own voice and add music to your story
- Take, add, and cut-out photos and "Put Yourself in the Story" photo feature
- Export videos
